This is Your Tool ...

for Nurturing Youth Leadership in your School: Download the bi-weekly Poster Edition and post it on a Positive News Board. Apply the Positive News Lesson Plan. ENJOY!

for Setting up and Managing Your Regional / National Edition: Set up an editing team. Connect to your local positive actors in civil society, administration, culture and media. Use the free PNYV electronic editing environment for developing, researching, sharing and publishing your regional online edition within the global PNYV online network. WELCOME!
